**Three Farmer Ferry Pilots Give Red Ines Surprise Visit**  
The past week end, "Red" Ines, work well known dusting artist, thought he was sure "seeing ghosts from the late war" when three of his former pilot associates in the British area, one by one, dropped in on him for a visit, each of the trio, coming in unknown that the others would be present.

The four men were members of the same outfit who for three years handled planes in ferry work out of the London sector of England, and this reunion was one which all greatly enjoyed.

The visitors were Mr. and Mrs. William Somogy, of Cleveland, Ohio; Izzy Lashman, now a test pilot with the Republic Aircraft Testing Association in California; and J. A. McDonald, now a Lt. Colonel in the regular Army Air Corps.

"Red" took the visitors "in the air" to give them a panoramic view of the Glades area.

Sophomores Go To Greyhound's Park  
The Sophomores, feeling that they needed a change from their every day school-life went to the Greyhound's Park in Miami, Saturday on a class party. They left early Saturday morning and had a hay ride down there. A picnic lunch was held at noon and afterwards they went horse back riding and boating. The group then left for Sunny Isles Beach where a swimming party was enjoyed by all. They then continued their hay ride on the way-home and stopped at a show. All in all they had a swell time.

**Cheerleaders Hostess Letters**  
At an assembly which was held Friday during sixth period the cheerleaders were presented with letters and sweaters. They were a little late in coming so they were just presented and did not receive them at the time the football players did. The sweaters were paid for by the girls but the letters were given. The sweaters were gold and resemble the football sweaters as they button down the front, the letters are gold with a blue megaphone and a stripe for each year they've been a cheerleader. They certainly were proud of them and even though it was a little warm Monday most of them wore them to school.

## Your conversation is all yours...

### with a convenient Extension Telephone in your own room

Ever wished for the privacy of a desert island when you're on the telephone? It's all yours with an extension telephone.

This is one of the many advantages an extension telephone provides for the home and family. An extension saves time and steps. It improves your service and makes your telephone more valuable by increasing its usefulness. Extension telephones can now be installed in homes at small cost. You don't need to write or come to the office. Just call our Business Office.

Orders for main telephone service are sometimes delayed because of shortages of central office and other equipment, which are not involved in the installation of extension telephones. That's why you can now get extension telephones, though there may still be delays in furnishing main telephone service.

Mrs. Mary Alice Kendall entertained at a party of kindergarten and Sunday school beginners honoring her daughter Sharon on her fourth birthday. Sharon's birthday was on February 5, but the party was on Thursday, the tenth, at the Recreation Hall which was decorated with crepe paper streamers for the occasion.

Children attending were Judy and Joyce Cato, Margaret Thomas, Mary Lou Mott, Dan Willis, Bertram and Butch Davis, Richard Fisher, Mary Ivola Mathewson, Linda A. Fisher, Sandra Cooper, Richard Herring, Daphne and Betty Lou Henderson.

### Pioneer Blacksmith Dies at His Lake Harbor Residence

James Sanford Scoggin, one of the earliest pioneers growers of this area, died at his home here Wednesday evening after a lingering illness. Mr. Scoggin moved his family here from Alabama in 1928 and had been a continuous resident since that time. He farmed until war broke out, returning to his old trade as blacksmith in 1940. He was employed by the U. S. Sugar Company until his retirement.

He was a native of Pocanton, Arkansas, a member of the First Baptist Church of Lake Harbor, and 77 years of age.

Survivors are his wife, Mrs. Louie Scoggin, three daughters, Mrs. D. L. Campbell, Mrs. J. B. Grant and Mrs. H. R. Layfield, all of Lake Harbor and one sister Mrs. W. M. Landree of Arcadia, eight grandchildren and five great grandchildren.

Services were conducted at the Lake Harbor Baptist Church at 1:30 p.m. Saturday, and burial was at Hillcrest cemetery in West Palm Beach. The Berry funeral home at Pahokee was in charge. Rev. O. K. Collier, pastor of the Lake Harbor Baptist Church officiated.

Full bearers were all members of the family, four grandsons, James and Ethel Grant, James Layfield and E. W. McLeod, and two nephews, John H. Wilson and John D. Johnson.

### Colored Church at Camp Okeechobee Closes Revival Meet

The Missionary Baptist Mt. Calvary Church at the Okeechobee Labor Camp closed a two-weeks revival service on Sunday with an all day session with a picnic dinner on the grounds.

The revival was under the direction of Rev. Sims Nelson, pastor. Visiting evangelist in charge of the services was Rev. C. W. White of Dawson, Ga. A very enjoyable feature of the Sunday services was a colored quartet of women gospel singers from New York who assisted with the singing and presented special numbers.

Twenty-two members were taken in by letter during the services and 31 new converts were baptized Sunday at the First Baptist Church (colored) of Belle Glade.

### Polics Pick up Stolen Car Near South Bay

A wrecked car discovered on State Road No. 80 just outside the western limits of the Town of South Bay, Sunday morning, was reported to and investigated by Highway Patrolman Valton Sheffield and Deputy Gibbs Gross. The car had side swiped several pine trees and was badly damaged.

Upon investigation two negroes, Ernest Crumedy and Carey Williams were discovered in Cleveland and linked to the wrecked car which had been stolen at a Cattle Ranch near

20 mile Bend. Further investigation revealed that the pair had stolen a car in Pompano, driven it to the ranch where it was abandoned and the second car stolen. When found the car was provided with a license plate which had been stolen in Pahokee—a license plate for a Cadillac car upon a 1946 Ford. Crumedy is in the Belle Glade Hospital on account of injuries sustained in the accident. The pair had caught a ride to Cleveland and taken a room at that point with discovery by the officers.

### South Bay Young People Enjoy a Bill-Billy Musical

Tex Miller and his Georgia Rangers put on an entertainment and a square dance at the Recreation Hall Thursday evening under the auspices of the Home Demonstration Club. The Young People of the community turned out in a goodly number and report a very enjoyable evening.

This was a special feature of the regular weekly Thursday evening community dances which are sponsored by the Home Demonstration Club for the young people and community in general.

An interesting feature was a boxing match between three small boys, sons of Police Officer Funk of Belle Glade. The fighters were Paul Daniel Funk, age 5 and Douglas David age 6. Their 7 year old brother Lewis is Robert Funk was referee. The decision was in favor of "Fighting Paul."

### Herbert Plank Home at Lake Harbor Burns up

The Herbert Plank Home at Lake Harbor caught fire and was totally destroyed Wednesday in the absence of the family. Mr. Plank was working on Ritta Island, saw the fire and heard the fire alarm but was unable to get back in time to save anything. The building and entire contents including furnishings and personal effects were a total loss.

Bob Crouch discovered the fire and called out the Fire Department but the fire had gained such headway before it was discovered that it could not be brought under control. It is thought that the fire may have been from defective wiring or from the kerosene refrigerator.

### Grass Fire at South Bay Threatens Property There

A grass fire thought to have been set by some children playing with matches broke out in the rear of Walter Carroll Warren garage, Monday afternoon and fanned by the high wind was soon a definite threat to the Warren home and other nearby dwellings and public buildings.

The Everglades Fire Control Truck responded to a call for help and the Belle Glade Fire Department also sent one of their trucks. This equipment

The condition of this car indicates that the driver was speeding. The collision happened on a college campus. School buses are posted for special care in driving. National Conservation Bureau advises that proper mental attitudes are the greatest safety factors in traffic and fire.

soon had live fire under control. The Warren Garage and a long were saved by the prompt small outpouring on the A. G. work of the fire fighters

THEY HELP THOSE  
WHO HELP THE PUBLIC

As independent, professional auditors, Certified Public Accountants serve a host of useful organizations dedicated to public service, in addition to business concerns.

By audits of financial conditions and operations, CPA's stand guard over the funds of hospitals, churches, schools, colleges and other institutions dedicated to the public welfare. CPA's are often able to point out financial dangers . . . suggest remedial action that can mean the difference between continuation of valuable public services or their abrupt termination.

Hence the CPA's professional skill and experience makes him a "regular contributor" to maintenance of essential community services.

Interested readers are invited to send for the pamphlet "Why CPA's Standards Are Important to You." Address the Managing Director, C. Box 3423, University Station, Gainesville, Florida.

state.

It was demonstrated that people from every walk of life have a liking for animated exhibits. The Fish and Game Department, was one of the focal points of the fair and had there was always a long line passing by the water display, at the wild duck pen and into the little theater, where movie were presented depicting wild life in Florida. Conservation objectives were shown by means of panorama and bullet-board information. Conservation is a big problem, and it must be practiced, if Florida retains all of its present resources.

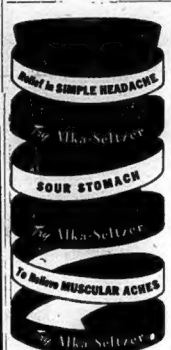

The famed Borden cow "Elsie" with her son "Beauregard" were at the fair, and as a result of advertising of the well known brand of canned table milk, thousands gathered around the pens to see the famed "contented" animals.

The process of manufacturing cigars by machinery never failed during the day to draw immense crowds.

In a rest seat, for old "dogs" do yet tired, the ever passing crowds gave opportunity to study the acts of humanity. One thing established that every one seemed to be more contented if they were eating a sandwich, nibbling a candy bar, an ice cream cone, pop corn or other confections.

When the Florida Press Association meets in Gainesville, on March 18-20, it will be the guests of the management of the Gainesville Sun and the University of Florida. The Associated Dailies of Florida, and the Associated Press will also hold their convention there on the same dates. It has been years since the Press Associations have met in Gainesville, and it is to let them know about our Great University of Florida that these conventions are held there. Reams of publicity is expected to emanate from this visitation. Entertainment features will be new and numerous.

## Boy Scouts Map Their Health and Safety Program

Depicted on this "map" are some of the activities and skills promoted by the Boy Scouts of America aided by Health and Safety Committees of the 543 Local Boy Scout Councils of the nation. It is desired that Scouts enjoy their scouting activities safely. Their training aids them to render service to others as well as to, take care of themselves.

spud or potato has been under Government subsidy support, assuring growers a guaranteed price. It now looks as if the economy boys of the Government may eliminate this subsidy from under the spuds, as well as a number of other farm commodities.

South Carolina is the last state in the union to provide a law which would recognize divorce. Such a law was adopted by the legislature the past week, over the protest of a fighting ministerial association group. Divorces will not be so easy to secure as they are in our own state of Florida.

The Boy Scouts of America, which last week observed the celebration of its 29th organization anniversary, made an unprecedented growth and record of accomplishment. Its membership is now placed at 2,220,000. During the year the Scouts collected a half million pounds of provisions for the Friendship train; collected 78 million pounds of waste paper; near two million pounds of used clothing; circulated 5 million pieces of bills and literature; and planted 5 million trees for forest habilitation; and billions of good turns.

With a central located diamond or softball play ground, good bleachers and lights, and fewer bugs in the so called winter season than the summer, Belle Glade people ought to have great enjoyment of the league games to be played in Paradise park.

Those who have been able to obtain minnow or fresh water shrimp, have been having a lot of sport catching "speers" out at the lake the past week. Worms do not seem to affect the appetite of the perch, but, oh, those minnow!

This was VFW carnival week in Belle Glade, and with the excellent midway attractions, patrons seemed to have a right joyful time, visiting the shows, whirling around in the riding machines, eating and partaking of soft drinks. Enjoyable manner in which to frolic in personal grounds.

The Chamber of Commerce is to be commended in starting and getting promise of action, for safety improvements from the State Highway commission at the danger Six mile bridge curve on State Road 88, which has become a noted accident and death trap.

One reason and possibly the main one that the Bacon Point road at Pahokee, was placed on the State Highway program this year, in preference to other roads, was that it leads to the new county airport near the dike, now under construction.

Looks as if the Golden Ram baseball team might be quite a formidable one, this season. Already the lads are out swinging the ball and getting their arms and legs limbered up.

City Commissioners and attending audiences at sessions are still awaiting the satisfactory installation of the loud speaker system in the council chamber. Contractors indicate that same will be ready for the next session of the city dais.

The filling in of the grounds at the rear of the city hall and jail, provided a convenient place for city owned cars. A bit of filling in has also been done in front of the chief of police office.

City Commission has now provided by means of an ordinance, the way whereby the Sanitary and Fire Chiefs, can enter proceeding to secure repairs, condemnation of demolition of old, insanitary and

unsafe structures. New building projects, must come up to building specifications, of safer and sounder construction.

Commissioners Harris and Rabin are to represent the city at the Municipal League Convention in Jacksonville. Going on an information collecting junket.

Building operations in Belle Glade for some reason have taken a sudden disappearance, as comparatively few permits were taken out during the month of January.

Watchful waiting is the order of the day at Glades packing houses these days, but where those beans begin to come in by the truckful there will be plenty of activity. Frost, frost, stay away, is the prayer of growers and packers alike.

City is repairing and re-painting the concrete street signs, and putting up caution signs at intersections. The latter are warning against traffic violations, and offenders transgressors are asking for an appearance before Municipal Judge Johnson, as Chief Goodlett has directed his officers to see that regulations are enforced.

With recreation and athletic centers planned for Paradise park, it becomes apparent that there will be need of a refreshment and candy bar, and the City Commission has voted to give the concession to the Girl Scout troops under their sponsorship, work under a gratuity license. This stand will be in a portion of the new shelter house and there will be drinks, candies, and other food articles.

Hats off to our local honey man Floyd C. Markham in being awarded first prize on his exhibit at the Tampa fair. He sure did have an excellent display, which brought him many congratulations.

Bass fishing on Lake Okeechobee the past week end, drew the famous radio commentator, H. V. Kaltenborn out to try his luck with the bronze backs. Sorry, to relate, his luck was of the same kind the Republicans had in the recent national election.

Weather bureau men make the statement that the present season in Florida has been the warmest since 1914. We here in the Glades can subscribe to the truthfulness of the report. Some days like mid-summer.

The lads and lasses who own bicycles, and who use them mostly for transportation to and from school are flocking to police headquarters, to get their machines tagged and registered. By this means their bikes, if stolen, will be easier to trace and identified as to ownership.

Insurance investigators state that if one is impatient to get about the farm, the pitchfork is the arch enemy, as more accidents occur from the negligent placing of the tined fork, than any other.

It is getting harder and harder for all types of businessmen to make the grade and still have some showing of profit. With proposed increases of rates on railroad freight shipments, proposed higher wages and shorter work hours under the Wage and Labor law, and a myriad of this and that, increases all a long the line, does not make the picture any too rosy for men in business and industry. Are becoming frustrated, where government takes all our monies, along with the grab made by the transportation system?

Game Board Plans  
To License All  
Pole Fishers

The State Game and Fresh Water Fish Commission is dangle with the idea, to increase income funds, by placing a pole fishing license on every one, except persons under sixteen years of age or over 65 years, and disabled veterans. At present fisherman need no license to fish with a pole in their own county. The proposed new law would be \$1.25, estimated to raise a half million dollars, to be used in conservation work.
